| IB Leading an effective professional learning community | September 24 - 26, 2018 9 am - 5 pm | IB World Schools are well positioned to operate as professional learning communities because of the unifying attributes of the learner profile and the commitment of those implementing IB programmes to promote inquiry, collaborative learning and critical thinking. School leaders play a central role in creating and sustaining school cultures that embrace professional learning. In this workshop, you will investigate different approaches to developing IB focused professional learning communities. | USD 800 |
| IBO Leading through an understanding of culture and context (part of the Core Leadership Series; completion of 4 workshops will lead to a micro credential from the IBO) | September 24 - 26, 2018 9 am - 5 pm | This workshop explores the concept that leadership is context-driven. You will deepen your understanding of how national and organizational cultures interact and impact on beliefs, values and behaviours in schools. In addition, you will discuss how to develop a positive organizational culture, which is proven to be closely aligned with high student achievement. The workshop will enable you to investigate leadership issues in different IB contexts. Through illustrative case studies, critical reading, collaborative problem solving, reflection journals, diagnostic testing, and research projects, you will be expected to reflect upon how these relate to your own experiences and develop responses and solutions that align with IB philosophy. | USD 1000 |
